GUEST SPEAKERS

JERMAINE STEWART

Jermaine has been in youth ministry for over 50 years.

Jermaine has a powerful message of hope through Jesus no matter the struggle. God delivered Jermaine from a life of violent crime and hard life on the street as a high-ranking member of an Alabama area gang. Jermaine has seen God use him all around the globe sharing his story and the power of Jesus to change lives. He is currently serving as the associate and youth pastor in Omaha, NE with his wife, son and two daughters. We are excited to have Jermaine joining us again for camp!

JEREMY QUINTINI

Jeremy has been in ministry since graduating Christ for the nations in 2004. After meeting pastor Nathan in 2000, who led him to Lord, Jeremy heard God call him to give his life for the gospel. Jeremy served in youth ministry for 5 years, where he spoke both locally and around the southeast at youth conferences and events. Jeremy loves to minister both as a speaker and as a prophetic psalmist through singing with his harp and shofar. He currently lives in Baton Rouge, La with his wife, son and three daughters.
